RULES FOR THE RESEARCH PRIZE OF THE SWISS HEART FOUNDATION

1. General

The Swiss Heart Foundation awards an annual Research Prize Cardiology in cardiovascular medicine and a two-yearly Research Prize Stroke in neurovascular medicine for established investigators.

2. Amount

The Swiss Heart Foundation Award is in the amount of 20'000 CHF.

3. Regulation

Investigators working in Switzerland or Swiss citizens working abroad are entitled to participate. **The age limit is 45 years at the time of application.** Exceptions can be made in case of motherhood or illness. No one shall be eligible to receive the prize, or part of the prize, more than once. **The prize will be awarded for the entire scientific work of the applicant. The most important publications will be primarily considered.**

4. Submission formalities

Applications should be submitted by 31 August on our Research Portal at swissheart.ccgrantracker.com.

Documents required include:

- One electronically signed cover letter outlining the scientific achievements
- The most important publication(s) / accepted manuscript(s)
- List of publications
- Brief Curriculum Vitae (max. 1 page)

Received applications are confirmed.

5. Assessment

The prize winner(s) will be evaluated by members of the Research Committee. The selected prize winner(s) will be confirmed by the Board of the Swiss Heart Foundation and informed by the end of the year.

6. Award ceremony

The prizes will be awarded at special events in the year following submission of the application.
